DETAILED ACTION

1. **Claims 1-46** have been examined.

Information Disclosure Statement PTO-1449

2. The Information Disclosure Statement submitted by applicant on 01/25/2002 & 02/26/2002 have been considered. Please see attached PTO-1449.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.

4. **Claims 1-46** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1, 14, 24 and 37, the steps c& d with respect to claims 1 and 24; steps b & c with respect to claims 14 and 37 makes the claims indefinite and unclear in that neither means/steps nor interrelationship of means/steps are set forth in these claims in order to achieve the desired results expressed in the limitations set forth with respect to the above steps/means.

Art Unit: 2132

It is also not clear whether the same function acts on the above steps where Applicant calls it first function and second functions to differentiate between the steps or they are actually two different functions, having different characteristics.

Corrections or clarifications are requested.

5. Claims 3, 16, 26 and 39 recite the limitation "F()" in the claim. There is insufficient antecedent basis for this limitation in the claim.

Corrections or clarifications are requested.

6. Claims 7, 19, 30 and 42 recites the limitation "h()" in the claim. There is insufficient antecedent basis for this limitation in the claim.

Corrections or clarifications are requested.

Allowable Subject Matter

7. **Claims 1-46** would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure:
